

Wealth Management

Saving, investing, budgeting and managing unknown financial situations is critical for individuals active in the workforce or those enjoying retirement. MS Investment Partners provides financial planning and wealth management services to clients of MSPC and others seeking to invest in their future. By combining our expertise in tax planning and with the resources available to us through our affiliation with Avantax Investment ServicesSM, we are able to offer complete professional financial services and consulting.

By combining our expertise in tax planning with the resources available to us through our affiliation with Avantax Investment ServicesSM, we are able to offer complete professional financial services and consulting.

Whether you are at the beginning of your career looking for an investment strategy, planning for your children's education, or are closer to retirement than you were yesterday, our team will work with you to develop a financial strategy that aligns with your personal and professional and financial goals.

Our Wealth Management Services Include:

- Investment Planning
- Income Protection and Asset Preservation
- Retirement Planning
- Tax and Estate Planning
- Insurance
- Debt Management
- Education Planning

- Debt Management

Securities offered through Avantax Investment ServicesSM, Member FINRA, SIPC. Investment Management Solutions (IMS) Platform programs and services offered through Avantax Advisory Services SM. All other financial planning services offered through Headquarters Advisory Group. Headquarters Advisory Group is not affiliated with Avantax Investment Services SM.

MSPC offers Wealth Management Service through its Financial Services arm, MS Investment Partners, LLC, an autonomous entity established solely to provide such services to MSPC clients.

MSPC Certified Public Accountants and Advisors, P.C. was formed on a foundation of client service, technical expertise, and trust. We offer a full range of accounting and auditing, tax, advisory and technology consulting services including accounting software systems and ERP solutions.

Our Process

Meet

Our initial meeting covers our services to make sure we are a good fit for your needs.

Vision

We will listen to your goals for today and the future and understand what factors are most important to you when it comes to investing.

Plan

A customized plan based on your vision will be created based on our experience and research-backed investment options.

Execute

Once you approve our plan, we walk you through the paperwork and implementation.

Monitor

We monitor your progress and arrange on going meetings to make sure your goals are the same and adjust as needed to maximize your financial position.
