## INTERNATIONAL SERVICES

**MSPC** Certified Public Accountants and Advisors, P.C. was formed on a foundation of client service, technical expertise, and trust. Tracing its roots back to 1944, MSPC has retained these attributes by developing long-term client relationships and industry specialties, while maintaining the highest degree of business ethics and professional standards.

The number of regulations, laws and policies that you have to follow in the global marketplace is tremendous. You need guidance on various issues in diverse markets and it's virtually impossible for one firm to have all the answers you need. That's why we are an independently owned and operated firm associated with the North American region of Moore Stephens International Limited.

This international association consists of more than 350 independent accounting and consulting firms with over 600 offices in 95 countries. The breadth and depth of services available to you are equivalent to those offered by Big 4 firms. Services are enhanced by a more hands-on, personalized approach to serving client needs. We can work with you to develop a strategy to help you reach your desired goals.

MSPC has forged a close working relationship with many of the firms associated with Moore Stephens International Limited by traveling to other countries and working side by side with their personnel. This gives us access
